This is a RECORD of TRANSMISSION of a FAX that WAS CONFIRMED -- but the action by the DOCTOR does not RELATE processing. The fax is about the initiation of PATIENT-CENTERED communications. It does not make any sense that I can not assert these needs into my care with my HIV Disease. This matter must be put upward into a counsel of higher authority -- The Federal Bureau of Investigation - and joined to be UNITED FORCE to call downward reprimands upon the wrong way thinking and insane blocking PATIENT-CENTERED REQUIRED BY LAW to BE PRESENT and ACCOUNTED FOR -- ENFORCED LAW MEDICAL CARE INTERFACES!

So far, a story of great tragedy!

Attention General Public Visitors To This Page, this is not a very fun thing to read. I suggest if you are looking for just a distraction in blimp of time. This page is not for you... but you are free to find the reasons why you were directed to this page. Thank You.

Without Doctor Care In HIV Corrected Adaptive To The Conditions That Are In This Address -- You are Guilty of a Conspiracy So Vast -- I will Die First before you are allowed to be SILENT to these circumstances -- not one doctor will do their jobs professionally -- in this conspiracy - I am being restricted from medical care for a need to maintain a secretive agenda mentioned in this holding note -- I will die in pain than to allow you to get away from this madness! I should have medical care privacy, but I can't because of this shit!

PRETTY? UGLY? No TRUSTWORTHY DOCTOR is willing to SET THEM SELF into INTEGRITY! I WILL DIE FIRST THAN TO COMPROMISE TO RECEIVE THE CARE OF ANY DOCTOR WHO CAN NOT BECOME HONEST WITH THIS ISSUE -- FUCK YOU ALL HATERS!

All that is required to prove this assertion of mind-bending reality that is addressed in this PUBLIC DEMAND FOR DELIVERANCE OF A NEW NATION [Here or There] is to know me real. But you will not give that a chance. Not at all.

All of what I receive and I have no reprieve is blocking and Ignoring my efforts time and time again. I do not have any anti-social personality disorder. No, not in any way that is the problem - for sure.

I have been altered, for sure in a negative way. By lacking the need to bring forward my basic human needs of safety, that civil society deems a subject so taboo the subject can not even be brought [the breech] without the backburn SWAT -- SHOO FLY DON'T BOTHER ME - and WORSE FOR SURE has occurred!

I must comprehend it somehow deductively reasoned. For the proving ground in this WARFARE AGAINST TRUST and TRUTH that is outside of my own digital records would be so easy to INVESTIGATE. This by way of a higher reach from the FEDERAL BUREAU of INVESTIGATION view. The obviousness to conclude anything of me violent, threatening, troll activity, anti-social, would be an obvious error to actually be able to transpire and transfer that character against me. But I know that is hidden. I know what has been transacted against me. This is an informational digital society detail that is put into perspective in this INFORMATIONAL WAR against a NATION that seems to be lost to the SERIOUSNESS. All that one has to do is look at the forensics of my account's across all social media and email for the last 15 years. The bulk of it coming up soon will be able to be SCANNED by ARTIFICIAL INTELLIGENCE to this review.

Just look at the identities of the accounts that have blocked me. Take consideration of a human heart to the contact messaging that generated those blocks. Seriously considered, you all have placed apathy in the way of my need to save my life.

I cannot forgive this society to remain unchanged to say, this society is right.
I cannot forgive this society to remain unchanged to say, this society deserves to kill me, I died.

I am here INSULTED by ALL CIVIL SOCIETY who will not allow me to live in it, as for me, myself, and I.

Being myself is not more than enough, you say. That I must change into something I am not, to fit the mold of silent active corruption. I refuse to see that honesty is the enemy. That this civil society can not become the best of excellence that it is SUPPOSED TO ACTUALLY REPRESENT.

That this civil society can remain in a silent everlasting forevermore cruel, and yes I mean cruel, state-sponsored hate function, This is under a paid vocation [[a valid ideal? a strong feeling of suitability for a particular career or occupation.](#)] known as gangstalking.

That I must be the enemy of the country for Reaching-Out/
out for a resolve to this unaddressed madness. That I am the one with the problem, when indeed it is you all that created it, employed by it, support it, donate your time and effort ... continued...
the effort of agnotology to define it as a mass delusion. What kind of evil has taken over this country?

Is that quite enough [there is plenty more] to know the subject, directly relevant onto the matters in critical crisis!

To what degree your acts are accidental or intentionally done wrong against me!

For I know what the fuck I am expressing upward, that you all swat down to not be informed of the truth.

Therefore you are barred against new information and must seek to intentionally NOT understand the reality, and maintain falsified beliefs.

You are twisted in a very sinister way to impose such ignorance onto me,

Such ignorance is harming me to death.

Can't you see? Your apathy to not have a discussion...

You are OUT OF LINE and I am OUT OF TIME!

What the fucking hell is wrong with you all?

If you don't like my tone or swearing words here, that only because the words are targeted at your incensed entitlement and arrogance!
FUCK YOU -- Deal With It! You only recoil because than once again you can remain in your "phony baloney bubble" of irrational mind and refuse to change.

[Ezekiel 9 New International Version Judgment on the Idolaters](#)

Then I heard him call out in a loud voice, "Bring near those who are appointed to execute judgment on the city, each with a weapon in his hand."

And I saw six men coming from the direction of the upper gate, which faces north, each with a deadly weapon in his hand. With them was a man clothed in linen who had a writing kit at his side. They came in and stood beside the bronze altar.

Now the glory of the God of Israel went up from above the cherubim, where it had been, and moved to the threshold of the temple. Then the Lord called to the man clothed in linen who had the writing kit at his side.

and said to him, "Go throughout the city of Jerusalem and put a mark on the foreheads of those who grieve and lament over all the detestable things that are done in it."

As I listened, he said to the others, "Follow him through the city and kill, without showing pity or compassion.

Slaughter the old men, the young men and women, the mothers and children, but do not touch anyone who has the mark. Begin at my sanctuary." So they began with the old men who were in front of the temple.

Then he said to them, "Defile the temple and fill the courts with the slain. Go!" So they went out and began killing throughout the city.

While they were killing and I was left alone, I fell facedown, crying out, "Alas, Sovereign Lord! Are you going to destroy the entire remnant of Israel in this outpouring of your wrath on Jerusalem?"

He answered me, "The sin of the people of Israel and Judah is exceedingly great; the land is full of bloodshed and the city is full of injustice. They say, 'The Lord has forsaken the land; the Lord does not see.'

So I will not look on them with pity or spare them, but I will bring down on their own heads what they have done."

Then the man in linen with the writing kit at his side brought back word, saying, "I have done as you commanded."

This brings forward our ability to understand what is truth,
that is what is so imperative of REQUIRED MANDATE

9 Scourges of inequality

1. The erosion level of trust between people
2. Lack of trust leads to disconnection from others and the breakdown of social bonds
3. The increase in certifiable mental illness including addictions which are a form of mental problems
4. Eating disorders and obesity
5. Lower life expectancy
6. Homicides including mass murders, a dramatic form of murder
7. Suicides
8. Imprisonment rates
9. The loss of social mobility

The 9 Scourges of Inequality and the 12 Steps of Social Improvement To Rebuild Trust In Our Communities.

Especially, Step 4.

The 9 Scourges of Inequality and the 12 Steps of Social Improvement to Rebuild Trust In Our Communities: <http://meme.gruwup.net/#9Scourges12Steps/>

- 1. We understand that one person alone cannot solve the chronic societal and personal problems that are making our lives very difficult to manage.**
- 2. We have come to believe that only a collective, which is a power greater than our individual selves, can move us and our nation forward to a healthier, more democratic place.**
- 3. We decided to commit time and energy, will and belief in the future to work together for change.**

[#9Scourges12Steps](#)

The 9 Scourges of Inequality and the 12 Steps of Social Improvement to Rebuild Trust In Our Communities: <http://meme.gruwup.net/#9Scourges12Steps/>

- 4. We took a serious and thorough moral measure of ourselves, noting the ways we collude with societal forces in our own exploitation, and noting our embrace of practices and beliefs about ourselves and others that make us vulnerable to being manipulated and exploited. This is an important step. We need to be aware that we are not just victims or victimizers, we are also collaborators. We are not helpless. We can also act...-for better or for worse. What we need to do now is unite around basic principles and create programs to achieve goals for the benefit of all.**

[#9Scourges12Steps](#)

The 9 Scourges of Inequality and the 12 Steps of Social Improvement to Rebuild Trust In Our Communities: <http://meme.gruwup.net/#9Scourges12Steps/>

5. We have admitted to ourselves and out loud to others, the ways we have collaborated in our own victimization and the victimization of others.
6. We are working to move beyond certain dysfunctional behaviors by taking action to better our own and other's lives. Some members of our collective take support from their religious or spiritual beliefs, as a private matter. Everyone's contributions enrich our group's development and efforts to create a broad unified movement.

[#9Scourges12Steps](#)

The 9 Scourges of Inequality and the 12 Steps of Social Improvement to Rebuild Trust In Our Communities: <http://meme.gruwup.net/#9Scourges12Steps/>

7. We ask for and are ready to give, the much-needed support that will help us unlearn collusion and internalize the new knowledge and wisdom that comes to us through our efforts, and which is so necessary for our growth. We also ask for and will give, support to help us rebound from the disappointments likely to occur among our triumphs.

[#9Scourges12Steps](#)

The 9 Scourges of Inequality and the 12 Steps of Social Improvement to Rebuild Trust In Our Communities: <http://meme.gruwup.net/#9Scourges12Steps/>

8. We are studying to fill the gaps in US history, the better to grasp both the similar and different realities lived by the diverse peoples who have populated our nation from the very beginning. We are studying the systemic arrangements: economic, political, social and psychological; the terrains of class and color, poverty and wealth, privilege and persecution, the marvelous and shameful, the horrible and the beautiful. We do this not just to discover, learn and acquire knowledge for its own sake, but to more inform our thoughts about the dignity of life, creating change and building the future.

[#9Scourges12Steps](#)

The 9 Scourges of Inequality and the 12 Steps of Social Improvement to Rebuild Trust In Our Communities: <http://meme.gruwup.net/#9Scourges12Steps/>

9. We continue to take a moral measure of ourselves, as individuals and as a nation. When we are wrong, we admit it.
10. We work to promote and to demand from our government: federal state and local- fair and just domestic policies that support American's efforts to live healthy and productive lives. We also work to promote and demand humane and non-exploitative foreign policies that encourage peaceful relations between nations and the well-being of all humanity and our planet earth.

[#9Scourges12Steps](#)

The 9 Scourges of Inequality and the 12 Steps of Social Improvement to Rebuild Trust In Our Communities: <http://meme.gruwup.net/#9Scourges12Steps/>

11. We seek- through experience, study, meditation, imagination, discussion, and listening to each other- greater understanding, knowledge, and consciousness of the human condition and all life, the better to connect with others in developing a well-functioning, life-affirming, democratic society.

[#9Scourges12Steps](#)

The 9 Scourges of Inequality and the 12 Steps of Social Improvement to Rebuild Trust In Our Communities: <http://meme.gruwup.net/#9Scourges12Steps/>

12. Having come to realize, by taking these 12 steps, that certain structural characteristics of US society hinder American's pursuit of happiness; has also realized the ways in which some of our own actions reinforce those hindrances, we have experienced an invigorating, moral, ethical, political, and personal awakening. Feeling the changes within ourselves, we are motivated to reach out and engage sympathetically and supportively with whomever we can. We ask each other here to do the same. Our collective plans hope and cultivate action. Our collective is powerful. We can and will reap a sustainable future.

Revealing the Mind: The Promise of Psychedelics 3,847,872 views World Science Festival 960K subscribers Nearly every culture throughout history has used chemicals that alter consciousness for spiritual exploration. In the 20th century these drugs caught the attention of scientists. Psychedelics, as they were named, proved effective at treating intractable illnesses like depression and addiction. And they became a tool for studying the mind, opening “the doors of perception,” as Aldous Huxley wrote. But those doors

slammed shut when President Nixon declared psychedelics dangerous and medically useless. Join scientists and “psychonauts” who are now picking up where research left off 50 years ago, experimenting with LSD, psilocybin, DMT and other psychedelics to heal—and reveal—the mind.
